To file a wellness claim; to view a copy of your policy(ies), claims, forms, payment and personal contact information any time that is **convenient for you**, all this information is available online by logging onto your account. This is an easy way to have 24/7 access to all of your Aflac information.

To establish an account, it's simple. The brief steps are outlined below for reference.

1. Go to www.Aflac.com.
2. Click on **Manage Your Aflac Policy** (bottom, center of page).

3. Follow the instructions to set up the online account.

A screenshot of the Aflac login page. At the top is the word "Login" in orange. Below it, the text "All fields are required." is displayed. There are two input fields for "First Name" and "Last Name". Below these are fields for "ZIP Code" and "Date of Birth" (with sub-fields for MM, DD, and YYYY). A section titled "Enter one of the following:" contains two radio buttons: "Policy Number" (selected) and "Social Security Number". Below this is a single input field. A security code section shows a blurred image of the code "124093" and a text input field labeled "Enter this Security Code.". Below the security code field is a green refresh icon and the text "Can't read the code? Click to refresh.". At the bottom is a blue "Log in" button with a lock icon.

4. Once logged on, the policyholder can then navigate to the information desired.
